Monday and Saturday evenings, 7 to 9 P. M.

Note change in the evening hours.

OUR "ROUGH DRY" DEPARTMENT

has solved the wash day problem for many households. Why don't you investigate and see what we can do for you.

We take every sort of wearing apparel—under and over—together with your bed and table linen. The cost, by our system, is lower than you can have it done in your own home.

We sort every bundle, washing woollens, linens, etc., separately by modern sewing-methods. Flat work is sent home to you ironed—all ready for use. Garments may be finished, or if you wish, dried, starched and sent home, all ready for sprinkling and ironing.

We give every part of a home laundry bundle better care than it could receive in any household laundry. Send us a trial order. 20 lbs. for 75c.

ACME LAUNDRY

988 Bloomfield Avenue, GLEN RIDGE, N. J.

Montclair Military Notes.

Mr. J. W. Erwin will give a stereopticon lecture at the school on Friday, March 1, on "Along the Old Overland Trail."

Charles L. Bausher, Jr., ex-M. A., has presented the science department of the school with a fine skeleton.

The Preliminary Kodak Club exhibit was judged by Messrs. C. H. Garrison, G. H. Jewett and R. C. Sheldon.

Baldwin Guild won the honors of Class A and B. E. Niese in Class B.

The inter-society debate this year will be on some phase of the recall controversy.

Barringer High School has three times postponed its return game in hockey with the Academy team. The Academy hockey team defeated Barringer the early part of the winter.

Poly Preparatory School went down to defeat before the academy swimming team to the tune of 34-19 on Saturday. This was Poly's eighth game and its first defeat.

The game with Wilson Academy in basketball on Friday was well played and close. The Montclair Academy just barely won the game by the score of 22-21.

East Orange High School vs. Academy basketball game was played on Tuesday, February 20.

Karl Mathiasen '09, Princeton '13; James McKown, Jr. '10, Williams '14; and Gordon and Herald Knapp ex-M. A., have lately visited the school. Harold Bissell, '09, is associated with the Black Diamond Coal Co., at Birmingham, Ala.

The Columbia University Y. M. C. A. sent a speaker to the academy to address the students Sunday evening.

My fifty years of actual experience in the tobacco business enables me to place the best cigars on the market for the price you are willing to pay. Drop in the "Centre Cigar Store," 8 Broad street, this town, and give them a test. G. F. Aue, manufacturer.—Adv.

Smoke the Gen'l Jos. Bloomfield 10c cigar, 3 for 25c, the best cigar made. Manufactured and sold by G. F. Aue. Broad St., this town.—Adv.

Telephone Designation.

The telephone subscribers of Glen Ridge are feeling quite elated over the fact that when the next directory is delivered, which will be on or about March 1, the telephone company will assign to their telephones the telephone exchange designation of Glen Ridge.

At present, the telephones in Glen Ridge are listed in the telephone directory as being connected with either the Montclair or Bloomfield switchboard. In the next telephone directory, while the numbers will remain the same, the exchange name will appear as Glen Ridge.

The number of telephones in the Borough of Glen Ridge has increased rapidly. A short time ago, the telephone company feeling that its subscribers in Glen Ridge would be pleased with the name of the borough as the telephone exchange designation, consulted the borough officials, who were unanimous in their approval of the change.

The telephone company is now mailing notices to its subscribers in Glen Ridge telling them of the new exchange name and stating that no inconvenience will be caused by the substitution. Parties calling for the old designation will be advised of the new one.

Glen Ridge is what the telephone people call an ideal telephone development. It covers an area of two square miles and has a population of 3,300. There are 752 telephones in service, making the ratio of one telephone to about every five people.

The telephone plays a very important part in the daily life of the people of Glen Ridge, more so, perhaps than it does in a great many communities. Here almost every family has a telephone. It is an exclusive residential section and as there are but few tradesmen, it is necessary for folks to do most of their shopping and marketing out of town. Under these conditions it is quite natural that the people of the borough should depend on their telephones to bring them nearer to the neighboring towns and cities.

THE HOME OF PRESCRIPTION ACCURACY

PRESCRIPTIONS.

For two centuries Merck & Co. of Darmstadt, Germany, have made a particular study of Drugs used in Prescriptions. Your Doctor will bear witness that their untiring efforts in that line have made Merck's the Standard of the Whole World. Your Doctor will also explain to you that that is the reason why sometimes in serious cases where he is particularly anxious not to take any chances, he insists that his Prescriptions be filled with only Merck's Chemicals.

In our Prescription Department Merck's Chemicals are used exclusively, as quality is the only thing we think of—The highest possible quality of Drugs—The highest possible quality of work, exact and unvarying compliance with every Prescription as written by the Physician.

We desire your Prescription business if you appreciate quality.

We will send for your Prescription and deliver the Medicine promptly without extra cost—Just phone us.

State Aid Suggestion.

While the members of the Passaic Valley Sewerage Commission declined to discuss the action of the Board of Trade in advocating State aid toward the cost of constructing the proposed sewer, others who are interested in the project deprecated the course of the local organization and predicted that nothing except possible complications would come of the move.

That belief is based on the fact that when the project was new a similar attempt was made to obtain financial help from the State, and since then other moves in the same direction have been made, all without success. In each instance seemingly strong arguments were made in support of the pleas and demands for assistance from the State, and in every case they fell flat, for the reason that two distinct provisions of the constitution made the sought-for action impossible.

Aside from that state of facts, opposition to the plan developed in the southern end of the state, where objections were made to any contribution toward the cost of an improvement in the benefits of which all the state did not share. It was insisted then that the sewer project was not like the case of a state road, which is in theory and practice a benefit to the entire commonwealth and subject to the uses of all the residents wherever they may live, and that inasmuch as only four counties were to be benefited by the purification of the Passaic river, they alone should bear the cost of the work.

Each time that the matter was brought up the alignment of the counties on the question was the same, and, with seventeen against four, the suggestion never made much headway.

In view of that fact and the constitutional prohibition, those who have made a study of the matter are firm in their belief that nothing in the way of financial help from the state can now be obtained. It is accordingly predicted that the resolution of the Board of Trade will die a natural death.

NEWARK THEATRES.

NEWARK THEATRE.

Rose Stahl in her great success "Maggie Pepper" will be the attraction at the Newark Theatre for the week beginning next Monday. Henry B. Harris is sending Miss Stahl to that city with the same cast and production which surrounded her during the run of six months at the Harris Theatre in New York city, which she has just closed. "Maggie Pepper" was written especially for Miss Stahl by Charles Klein, and it is an intimate study of the politics of a big department store. These organizations, through the thousands whom they employ, have a tremendous influence on the life of all cities and Mr. Klein has drawn his characters from familiar models. Miss Stahl, "Maggie Pepper" has created a woman as true to life as was "Patricia O'Brien" and that the public recognition of the artistry of her performances evident by the fact that no star or play enjoyed such a long run in New York during the current season as did Miss Stahl in her new piece.

EMPIRE THEATRE.

"The Yankee Doodle Girls" begin a week's engagement starting with a matinee Monday, February 26, at Miner's Empire Theatre. This is an attraction which warrants more than passing mention, a whirlwind of merry musical absurdities, entirely new throughout and has been sent on the road with magnificent mountings and a company of uniform excellence, and elaborate scenic investiture has been provided. It is the aim to make the above one of the big features of the year and neither money nor time has been spared to this end. The company selected is one of the strongest ever sent out of New York city and unusual care has been taken to see that the costumes and the other necessary details are strictly in accordance with the production. The musical portion of the show is said to be one of special merit.

GAVETY THEATRE.

Sam Howe's "Love Makers" comes to the Gavety Theatre, Newark, on Monday, February 26, commencing with a matinee, with one of the few shows that hold their own from season to season. The burlesque this year is called "Love Makers" showing sparkling Broadway in a review of "The Police Bergette," "The Winter Garden," "The Follies of 1911" and the "Columbia Theatre." The second act shows Suburban day at Sheephead Bay race-track; the race between the horses Mutt and Jeff is, without a doubt, one of the funniest spectacles seen upon a stage. Sam Howe, the King of the comedian, rides Mutt to victory amid the cheering of thirty pretty chorus girls, dressed in beautiful costumes, who prance and dance to the Hebrew hero. The vaudeville bill is headed by Killian and Moore, comedy singers; Beulah Dalls, the greatest coon shouter of the age; Davey and Poney Moore in vaudeville novelties; Vera Desmond, a dainty singer and dancer. This bill includes an added attraction direct from the Winter Garden, Berlin, called "O'Devio" in which twenty beautiful diving girls will appear. Two hundred and fifty gallons of water is used upon the stage in this act. Amateurs Friday as usual. March 4, "Robinson Crusoe Girls."

Almost Lost His Life.

S. A. Stid of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery, which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds, or any throat or lung trouble. Price 50c and \$1. Trial bottle free. Guaranteed by all druggists.

Safe Deposit Boxes.

You are invited to call and inspect our Safety Boxes in our Burglar and Fire Proof Vaults. Boxes to rent at \$4.00 per annum. The Bloomfield National Bank.—Adv.

There's No Use in Arguing

if a store hasn't the right stock of hardware, paints and housefurnishings. It might as well put up its shutters and go 'way back and sit down. What the wise public demands now-a-days is—general excellence, big variety, attractive display and honest prices; a four-cornered business argument that stands for "deeds—not words." We don't THINK—we're SURE that this store is so equipped.
